Hi Leanne,

9/4 at 2pm was a decent backup. I'll move the appointment to then.

Thanks, Amy

Hi Amy,

I apologize, but I just found out that Rich will be out of the office all day on the 6th. We could do the 4th after 2:00 or the 5th after 10:30 and before 3:00.

Let me know if any of those work for your team.

Best,

Leanne

Thanks, Leanne. I just sent out an invite for 9/6 in the morning. I found an email for Cristiana online, but please verify that I had it correct and forward the meeting invite to her, if necessary.

Take care, Amy

Hi Amy,

We'll have Cristiana Figueroa-Kaminsky from our environmental assessment program join us.

It might be easier to work through me to schedule both her and Rich. Here are some times that work for all three of us during the first week of September.

Tuesday Sep. 4th – before 10:30 or after 2:00

Wednesday Sep. 5th – anytime between 11:00 and 3:00

Thursday Sep. 6th – Anytime except between 10:00 and noon

Best,

10/24/2018

Leanne

Hi Leanne,

Thanks for the update. I will sit tight on my end and wait to hear back from you and/or EPA on scheduling the discussion.

Look forward to working with you.

Thanks, Amy

Thanks Amy,

We'd like to try and include someone from our modeling team in this conversation – but that will likely mean we need to push this out until the first week of September.

I will get back to you as soon as I am able to touch base with them.

Thanks,

Leanne

Hello all,

Please complete the poll below to help identify a good time for an initial discussion on the Deschutes TMDLs. If possible, please complete the poll by Monday, 8/13. I will then distribute a meeting invite for the best time with a call-in number.
